**Plan of New Fisheries Activities in CBRMP** By: Dr. Munir Ahmed, SCBRMP-LGED, IFAD, 2008

**Beel Fisheries Guideline** By: Dr. Munir Ahmed, SCBRMP-LGED, IFAD, 2008

**Status of Aquaculture Activities** By: Dr. Munir Ahmed, SCBRMP-LGED

Community led framework for estimation of sustainable exploitation level of fish and reeds in Tanguar Haor, Dr. Munir Ahmed, IUCN, April 2012

Ganga Brahmaputra Basin Bangladesh Part Prepared By Dr. Munir Ahmed for Scoping Workshop of 17-20 November 2009, New Delhi

## **Training**

Training Completion Fisheries Training of JMREMP during 2006, Reported By Dr. Munir Ahmed, JMREMP, BWDB, ADB

## Other Programme Experiences

### **CLP-MDF-Fish Marketing**

Worked with MMS and RSDA in Sirajganj and Kurigram respectively on Fish Production and Marketing in Char environment.

### **Study on Aquacultural Products enhancement possibilities in Peri Urban areas under BFRF**

TARA was a NGO partner of this small study (Nov 06 to April 07). The study is to cover the resource identification and mapping of existing peri-urban areas resources dependent on aquatic environment and to find out the limitations and opportunities of enhancement of aquacultural products to benefit poor people living around Dhaka City and to contribute in the market with the products.

## Integrated Farming

### **FAO Tele-Food Programme in Bhurungamari**

This programme implemented with FAO assistance in Kurigramme. Under this programme integrated farming was practiced in six schools in Bhurungamari.

### **BFRF-DoF Research on Habitat Restoration**

Study on habitat restoration in Netrokona and Sherpur with Department of Fisheries for benefiting Adivashi communities supported from Bangladesh Fisheries Research Forum (BFRF) and WorldFish Center

### **BFRF-DoF Research on Cuchia Study**

Study on habitat restoration in Netrokona and Sherpur with Department of Fisheries for benefiting Adivashi communities on Cuchia culture supported from Bangladesh Fisheries Research Forum (BFRF) and WorldFish Center

### **WSI-CELP-JU-TARA Research Association**

Research with Bangladesh Lightning Research Center (BLRC) of Jahangirnagar University and WSI

### **USS-TARA Case Studies**

TARA completed work on Common Property Resource Management and Issues related to Beels in selected areas.

### **Study on Sanctuary Katha Material with Jahangirnagar University under CBFM:**

Involved in joint research on fisheries with teachers and students of Jahangirnagar University under WorldFish's CBFM 2 Project.

### **Livelihood analysis and alternative livelihood options of Hilsa Fisher in the coastal areas of Bangladesh**

TARA was involved in this study as partner organization. Livelihoods option of Hilsha Fishers in the Coastal Areas was the focus of this study.

### **Study on Benefit/Impact on Fish Sanctuary under BFRF**

This one year conducted in different parts of the country jointly with investigators from BCAS and BAU.

## Other Project Experience

### **Fisheries Activities in the Jamuna Char areas under Chars Livelihoods Programme (CLP-DFID)**

TARA worked under CLP to implement several fisheries activities. In First Phase (Dec-2005 to January 2006) reviewed the activities and in Phase II (January-June 2006) implementing number of fisheries activities like stocking in dead rivers, sanctuary, nursery, hapa breeding, savar fishing, fish drying, net weaving, pond fish culture value addition and fish marketing channel development.

Involved in preparation of a documentary fish film on project's fisheries activities.

### **Fisheries Database**

TARA assisted CBRMP-LGED in Developing Access Based Fisheries Database for Community Based Resource Management Project in 2006.

### **Environmental Impact Assessment Work (Fisheries Part) CEGIS**

Assisted CEGIS in conducting fisheries part of Baseline, Impact Assessment, developing Fisheries Environmental Management Plan and Monitoring Plan in a study in Dhaka. Study conducted in 2005.

### **Aquaculture and Fisheries Management Programme in Dampara Water Management Project**

Involved in implementation of fisheries mitigation and enhancement work including with fisher and alternate employment generation in Netrokona which was Canadian CIDA funded project of BWDB.

### **Integrated Haor Area Development**

Worked with Bangladesh Haor and Wetland Development Board (BHWDB) in Sunamganj.

### **Membership**

Member, Children Justice Network (CJN) of Save the Children UK

Member, Safe Custody Network of SPP

District Task Force for Releasing Children of Jails, Dhaka

District Committee to provide special assistance to convicted females in Jail, Dhaka  
(Karagare Ataok Sajaprapto Narider Bishesh Subidha Pradan)
